

We are now hiring an external service provider as Expert in LWG Certification

Project: Capacity building to the Mongolian vegetable tanned yak leather cluster on bio-leather and bio-leather products (SWITCH/2021/428-657)

Responsibilities will include:

- Participation in the provision of support to local tanneries to join the Leather Working Group.
- A 1-week support mission in Mongolia to visit local tanneries.

What we ask:

- Proven knowledge of leather manufacturing and all aspects assessed for LWG certification.
- Fluency in spoken and written English.
- Availability for travelling to Mongolia for 1 week (most probably in October 2024).

Assets:

- Specific knowledge of vegetable-tanning processes for yak hides, and peculiarities of the Mongolian yak leather sector.
- Knowledge of other sector-specific certifications and/or groups, such as Step by OEKO-TEX or Responsible Leather Round Table.
